Create Your Future

Training the next generation of hairdressers, barbers & makeup artists.

As a pioneer of hair and beauty education for nearly 30 years, we deliver exceptional training to future creatives.

Situated in Auckland's creative precinct (just off Karangahape Road), our contemporary learning space and Academy Salon are full

of energy and passion. Immerse yourself in programmes taught by experienced tutors and external industry professionals.

We look forward to helping you on your learning journey to becoming the next generation of hairdressers, barbers and makeup artists.

Paul Serville

A word from Paul Serville Academy founder and director:

“

Training and education have always been a passion of mine. Servilles was created nearly 30 years ago, with a commitment to providing quality hairdressing, barbering and makeup training to the highest standard and to consistently inspire its students with innovative creativity.

I believe that we never stop learning and are always striving to perfect our craft. When you visit our education centre and hair salons in Auckland, you will understand why education is

the heart of Servilles. Our graduates have won some of the country's most prestigious hairdressing awards while many are now highly respected stylists, barbers and makeup artists in some of the world's top establishments.

We are dedicated to remaining at the forefront of hair and beauty education and I look forward to sharing the exciting world of the industry with you at Servilles.

Why Servilles Academy?

Our academy is located at 8 Canada Street, just off Upper Queen Street and Karangahape Road in Auckland's CBD.

We have an in-house salon that replicates the feel of a professional salon for both the clients and students.

The open-plan learning space of the academy is a bustling hub of students and tutors. The space encourages a more community-based environment, where students can communicate and inspire one another more freely. Reflecting the academy's contemporary culture and sustainable attitude, this space is another reason why the academy is a leader in hair and beauty education.

Many Servilles Academy graduates have successful creative careers as business owners, freelancers and technical educators.

Student wellbeing is important to us.

Student wellbeing at Servilles Academy means feeling part of the Servilles whanau and student community. Our students come from a diverse range of backgrounds, places, cultures, viewpoints and values. They are following their dreams and passions and we are here to support that with additional resources.

Talk it out: A good chat to work through concerns can make a huge difference to wellbeing. We have a weekly onsite counsellor specifically for student support at no charge for those times when a bit of extra support is required.

Online resources: The Wellbeing page on our website is home to the 'Wellbeing Wednesday' blogs. These instalments cover topics such

as podcasts to help with mental health, apps for wellbeing, nutrition, good habits and websites for help with different health and wellbeing concerns.

<https://servillesacademy.com/student-wellbeing/>

Breakfast Club: Students can access breakfast kai including Weetbix, toast, porridge, fruit, tea, coffee and milo all day to ensure they are fuelled and ready for learning.

Future leaders: The Student Leadership Team lets management hear students' thoughts on areas such as programme development, marketing, internal systems and events. Meeting quarterly, the students can come and enjoy some kai and give feedback/suggestions from their perspective.

STAR & Gateway

Our exciting school holiday programmes support students with industry-based learning and give them the relevant knowledge and skills needed in the salon workplace. They provide opportunities to try out potential careers and build links to tertiary education environments, employment networks and modern apprenticeships. Students can achieve specific vocational skills and benefit from making significant progress towards industry-recognised qualifications.

The programmes are delivered during holiday times (9:30am-3pm) to minimise the impact on the student's studies at school.

Check with the Gateway Co-ordinator or Careers Advisor at your school or get in touch with our recruitment team on Freephone 0800 737845.
